

# Langford Primary School Newsletter

Friday 27th November 2015

Dear Parents and Carers,

Despite the winter well and truly arriving this week, Team 1 and Team Reception children wrapped up tight and had a wonderful day at Kensington Palace. Thank you to all the wonderful parent and carer volunteers who gave up their free time to help out.

#### Student Leadership Conference:

Yesterday Langford hosted a Student Leadership Conference with two other schools. It focused on teaching children important life skills, such as presentation and communication skills and we look forward to hearing about their community project. Well done to those children who represented Langford, they were fantastic.

#### Chelsea Football Club:

Being so close to Chelsea Football Club, we are trying to build further links with the education partner at Chelsea and some of our Team 1 children had the opportunity to attend Stamford Bridge today and meet and question the new Sporting Ambassador for Chelsea. Miss Edwards reported that the children were fantastic ambassadors for Langford.

#### Chantelle:

It saddens me to inform you that December 4th will be Chantelle's last day at Langford. After 11 dedicated years, Chantelle is moving to work in the same school her son attends. This wasn't an easy decision for Chantelle. Chantelle has been instrumental in ensuring Langford remained as stable as possible during the difficult times and has been a fountain of knowledge in supporting me in settling in to Langford. I'm sure you will all wish her well and Chantelle is around the school next week if you would like to personally wish her well. On behalf of the children, staff and families at Langford I would like to thank you for everything you have done for Langford and we all wish you every success in your new role. Meredith Forby will be joining Langford in January as Chantelle's replacement; we look forward to welcoming her to Langford.

As always, have a safe and happy weekend.

The Reception Team went to Kensington Palace to meet Queen Caroline as part of the Curious Stories Project, that they have been taking part in. They were very excited all through the bus trip there and having to eat a packed lunch but when the time came to meet Queen Caroline they were in awe of her great dress and the room they were meeting her in. Congratulations to Noha and Kayla for being chosen by the palace staff for being the most well-behaved and excellent story telling.

Dear Parents and Carers,  
We have had a few reported cases of head lice at school. Please can you ensure that you check your child's hair regularly and take according action should you find any active lice or eggs present.

Thank you for you cooperation.
