

Langford Primary School Newsletter

Friday 13th November 2015

Dear Parents and Carers,

I hope this newsletter finds you well.

Parents' Evening

I hope you have all had the opportunity to make an appointment with your child's class teacher for next week. If you have yet to do this, please ensure you either complete the form or have a discussion with the class teacher to find out what appointment times they have left.

Walking Home Alone

We only allow year 6 children to walk home alone and this is only when we have written consent. If you want your child to walk home on their own and have not notified the school, please do so or they will be kept at school until an adult picks them up.

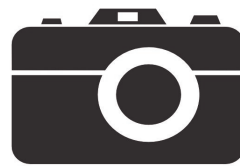

Remembrance Day

A whole school assembly was led on Monday morning so the children could learn about the importance of Remembrance Day. We all came together on Wednesday so we could do the 2 minutes of silence as a whole school. We apologise for not selling poppies this year, unfortunately or volunteer from the British Legion who has been coming to the school for many years was unable to attend this year and the British Legion were short of volunteers to send someone else. To avoid this happening again, we have signed up for the school to automatically receive poppies in the post for future years. It was wonderful to see Team 6 being so creative and making their own poppies in art lessons.

As always, have a safe and happy weekend.
Best Wishes
Seamus Gibbons
Headteacher

The children enjoyed taking part in the 'Keep Smiling Dental Programme' and learned about having good dental hygiene from the visiting dentist.

Please return your school photo by Friday 20th November.

STARS OF THE WEEK!

Congratulations to our Stars of the Week who get to attend the Headteacher's tea party.

Lily - Team R For the fabulous work you have done this week, you have worked really hard. Keep it up.

Eshan - Team 1 For persevering in learning the number bonds to 10

Poppy - Team 2 For super behaviour during our trip to St Pauls Cathedral and representing Langford really well.

Zoe - Team 3 For great effort settling in and becoming more confident expressing ideas.

Florian - Team 4 For trying very hard with all his learning this week and never giving up. Well done.

Sarah - Team 5 For excellent attitude towards her learning.

Cody - Team 6 For developing his active listening skills.

A lot of amazing Science experiments that you can do at home with things you will find in your kitchen
